

Anniversary Party Plans Revealed by Garden Club

Torrance Terrace Garden Club members met Wednesday at the Beech avenue home of Mrs. William Scholl. Following refreshments, the business session was conducted by the club president, Mrs. Frank J. Farrell. She thanked all members for their splendid cooperation during the recent Flower Show at Civic Auditorium.

Praise was given also to the flower judges for their help—Mrs. R. R. Smith, Mrs. Virginia Yeltona of Torrance Flower Shop and Nadine of Flowers by Nadine. These three women will be guests of the club at its anniversary party scheduled for June 14 at the home of Mrs. P. H. Lisman on Post avenue.

The committee in charge of arrangements for the party are Mesdames Albert Ewalt, William Scholl and Harold Sheldon.

Members voted to send a check to the Sister Kenny Fund, in line with the group's recently adopted philanthropy program.

Seaside... ..Ranchos

The youth in this community are certainly fortunate, as their parents and other adults gather to make plans for many activities for the coming months. In addition to the Friday evening dances for the pre-teens, a canteen is being set up for the high school ages.

Originating the plans for this new venture, the youth committee of Las Vecinas met at the Hollywood Riviera home of Mrs. Howey last Wednesday evening and started the ball rolling.

Next evening the youth committee met at the home of Mr. Lippert and completed plans for these dances. Mr. Carpenter, of the recreation commission in Torrance, discussed the facilities available and the plans for the new building in El Retiro Park, where these dances will be held, each Saturday evening.

First dance will be held this Saturday at 7:30 p.m. at Seaside School and will be held there until the new building is available, which will be in about two weeks. This dance will be open to all children in this area of high school age. Refreshments are being planned. It is hoped that we will have Mr. Cosby as instructor.

At the meeting held at Mrs. Howey's home last week plans were made for a youth festival to be held in August. All youth groups in this area are asked to take part in this activity, sponsored by Las Vecinas. The festival is to be at El Retiro Park and will be complete with food booths, dart games, fish pond, and many other things that make a day of fun for young and old alike.

Proceeds will go to a drawing for each of these groups taking part. The leaders of any groups who have not made plans for this may get further information from Mrs. Howey by calling FR. 5-3805.

The Friday evening dances for the pre-teens will continue through the summer.

A lovely shower was held at the home of Mrs. Fay Scanlon honoring Mrs. Bea Merola last Thursday evening. Predominating was a life-sized stork carrying an equally life-sized bundle, where the many lovely gifts were stacked. The favors were little pink diapers containing candy. Assisting Fay with the plans and the lovely flower arrangements was Mary Lou Hopkins. The very enjoyable evening was topped off with a dessert of delicious strawberry pie with whipped cream. There were 25 guests present.

Bob and I attended a housewarming in the new home of Mr. and Mrs. Paul Chambers in Torrance last Saturday evening, where we played canasta until the wee small hours.

The Home Owners Association dance last Friday was a social success. Everybody had a wonderful time. There were corsages for the women and bouquets for the men. The program was very good and the dancing excellent. It was a wonderful evening for such a nominal cost.

Bill and Thelma Shockency went with the Robinsons of S. H. to their cabin in Big Bear for four days. What a lovely weekend!

Betty and Ev Rowan spent some time in San Francisco last week.

Our sincere condolences go to three Seaside Ranchos families this week.

Mrs. Margaret Whitty, mother of Ernest and Jess Whitty, and Mrs. Doris Fay, passed away last Tuesday. She was 57 years old and was well known by many of us.

The father of Bud Powell passed away last Saturday in Inglewood.

The Sannos infant daughter, just a week old, died Monday afternoon.

Don't forget to vote in the primaries this coming Tuesday.

Art Craft Club Fetes Hostess

Members of the Torrance Art Craft Club were delightfully entertained recently at the Manhattan Beach home of Mrs. Betty Thomas, whose co-hostess was her mother, Mrs. Leila Everly.

At small tables decorated with pansy centerpieces dainty refreshments were served at the close of the evening.

The occasion served as a housewarming party for Mrs. Thomas, who was the recipient of beautiful gifts for her home, including a fireplace wood container.
